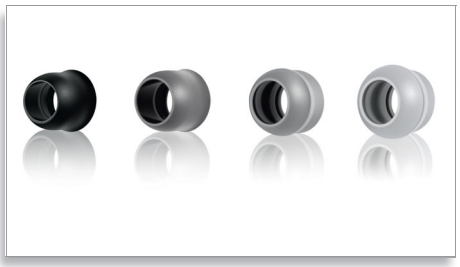
Highlights

Flexi-Grip design
A soft, flexible part protects the cable connection from damage that otherwise would occur due to repeated bending.

Neodymium magnet
Neodynium is the best material for producing a strong magnetic field for greater sensitivity in a voice coil, better bass response and higher overall sound quality.

13.5mm speaker driver
Small enough for optimum wearing comfort and big enough to deliver undistorted sound, an ideal size for listening enjoyment.

4 sizes of rubber caps



Now also available in XS! - With 4 cap sizes you'll get a precise and snug fit
